Best Marathi Movies on OTT Platforms: Must-Watch Films for Every Cinema Lover

Marathi cinema has carved a special place in Indian filmmaking with its powerful storytelling, realistic characters, and award-winning performances. Today, thanks to OTT platforms, movie lovers can enjoy some of the finest Marathi films anytime and anywhere. If you regularly follow Esakal's Premier, you'll know that many Marathi movies are gaining national and international recognition through popular streaming platforms.

1. Sairat

Genre: Romance, Drama
Available On: Netflix (availability may vary)

Sairat is one of the most iconic Marathi films ever made. Directed by Nagraj Manjule, the movie tells the emotional story of two young lovers fighting against caste discrimination. The film became a massive box-office success and continues to be one of the most talked-about movies in entertainment news in Marathi.

2. Natsamrat

Genre: Drama
Available On: Amazon Prime Video

Featuring Nana Patekar in a career-defining performance, Natsamrat follows the life of a retired theatre legend struggling with loneliness and family conflicts.

3. Katyar Kaljat Ghusali

Genre: Musical Drama
Available On: ZEE5

A visual and musical masterpiece, this film beautifully showcases Indian classical music while telling a compelling story of rivalry and tradition.

4. Anandi Gopal

Genre: Biographical Drama
Available On: ZEE5

Based on the life of Dr. Anandibai Joshi, India's first female doctor, Anandi Gopal is an inspiring tale of determination and education.

5. Jhimma

Genre: Comedy Drama
Available On: Amazon Prime Video

This feel-good film follows seven women who embark on a memorable trip that transforms their lives and friendships.

Many of the latest movie announcements, streaming releases, and exclusive premieres are regularly covered in entertainment news in Marathi, making it easier for audiences to stay updated.
